Controller Welcomes LAUSD Commitment to Provide Salary Data

SACRAMENTO - State Controller John Chiang today welcomed statements from Los Angeles Unified School District Superintendent John Deasy and Board Member Monica Garcia, who indicated LAUSD will provide information to add to the Controller's online wage database, www.publicpay.ca.gov.

"I commend Superintendent Deasy and Boardmember Garcia for their pledges of support and commitments to broader transparency and accountability," said Chiang. "The parents and taxpayers served by the State's largest school district can play a bigger role in decision-making when we open up the books."

"Together we will add data on thousands of public servants who have the toughest jobs around – educating California's next generation," the Controller added.
